Meeting Opens

The First Coast Area Service Committee (ASC) met Sunday, March 9, 2008, at St. Luke's Hospital in a new room in the trailer (Modular A) behind the building in Jacksonville, Florida. **(Next month the ASC will meet at the Savoy Club at 6354 E. Arlington Road, JAX FL.)** The meeting was called to order at 11:00am by the Chair and opened with a moment of silence followed by the Service Prayer. The 12 Traditions and 12 Concepts were read. The floor was opened to anyone wanting to address the First Coast Area. No one addressed the ASC this month.

Secretary's Report

Hi Family!

It's been a busy month. The Executive Committee has been putting the word out to find a meeting place for next month. We got together on February 18 to review the budget recommendations for the prudent reserve and prepare for the audit. Coordination has proceeded for the Area Inventory and Trusted Servant's Workshop. Please take the two flyers back to your home groups to get word out.

The ASC Policy Addendum as of February 10, 2008 was sent out with the minutes. I have a few extra copies here if you need one.

I have a meeting request form to get your help to look for a new place for the ASC to meet. Does anyone have a suggestion? Please contact the organization if you know them and myself or the Treasurer know what it will take to meet there.

The past month, the minutes got out on time. I want to thank Amy for volunteering to make that possible.

The minutes and the forms that we use are also located on our website in the Area Service section: <http://www.firstcoastna.org/area.htm> If you or your home group DON'T get the minutes, please have someone help you download them from our website. I want a homegroup member email address for a back up contact for your home group for reminders and last minute announcements and cool events that periodically show up.

I am circulating the GSR/ALT GSR mailing list and contact info. Please make sure that it is correct.

I am also circulating a calendar blank. Please make note of any upcoming events. Info can also be sent to me at secretary@firstcoastna.org or the webmaster at webservant@firstcoastna.org.

I am also circulating a new form to help me prepare the region report. Focus your comments on what highlights you want the rest of the state to read about your subcommittee. I had not been aware that it was the job of the secretary to prepare this report, so please get me something back before you leave today.

Here's the list of my expenses and reimbursement requests:

RCM Report:

COMMENTS: I thank the Uncoast Area for hosting of the CAR report. There were 16 people from the First Coast Area in attendance. We discussed the 12 motions and topics, like how to build strong home groups, by practices. Public Relations, State Issues, Brainstorming, Solution Making Decisions. Also, how to improve who is missing from our meetings. What do you think is the next target? What project should we focus on? What about the Sponsorship book? Members are not finding it useful. If you are reading the CAR report page 1 and I will help you to understand about HRP.

RCM: "E"

The CAT can be downloaded at <http://www.na.org/cat2008/cat08-toc.htm> with the username ""cat"" and the password ""Cat2008"". What is the CAT? A Guide to World Services in NA explains that "Conference-approved materials are those items approved by the World Service Conference that are intended primarily for use by service boards or committees. This type of material is sent to conference participants at least ninety (90) days prior to the World Service Conference meeting, to be considered during a new business session. (CAT stands for ""Conference Approval Track"" Material).

The Narcotics Anonymous of Florida Google Group is open for anyone to participate who is interested in Regional or World information or service. You can sign up for a password <http://groups.google.com/group/NAFLA?hl=en>.

Much of the information that is posted on our website regarding Regional events, CAR report workshops, GSR Assemblies, etc.. comes from this Google Group.

We now have a Google Group of our own!! Anyone wishing to participate can sign on at <http://groups.google.com/group/firstcoastna>. Now, when we have service discussions or events to be posted or items to be downloaded, we can use this as a tool to share information, ask questions or anything else that relates to the First Coast Area of NA. I will moderate this Google Group, and anyone who misuses this will be banned. So please don't put personal stuff up there, but if it's anything recovery based, particularly relating to service, bring it on !!
