Secretary's Report – Sunday, June 14, 2009 - FCANA

Hi Family!

The past month, the minutes got out on time.

The minutes and the forms we use are located on our website in the Area Service section: <http://www.firstcoastna.org/area.htm> If you or your home group DO NOT get the minutes, please have someone help you download them from our website. We would like a home group member e-mail address for a back up contact for your home group for reminders and last minute announcements and events that periodically show up.

We are circulating the GSR/ALT GSR contact information sheet. Please make sure that it is correct.

We are also circulating the calendar. Please make note of any upcoming events. Info can also be sent to us at secretary@firstcoastna.org or the webmaster at webservant@firstcoastna.org.

OPEN FORUM / AREA SUPPORT MEETING/FELLOWSHIP DEVELOPMENT

70 attendees

Discussion H&I, PR, Helpline- Items discussed: Prison Clearance, the development of a standard letter/document to be presented to the Head Chaplain in the State (there are 137 Chaplains in the state). Also discussed a PR presentation to introduce Meetings behind the Walls, and possible Multimedia presentations to be shown in future PR events (we are currently without a PR Coordinator) these items will be explored further in the Brainstorming/ Prioritization segment. For helpline we looked at number of Areas which had a "live" system vs. "PBX/Answer" types of Systems. It appears the live systems are cheaper. I raised the question as to why don't we have

Statistical data on usage to better determine for any given area, based on the need and available Volunteers the appropriate platform to use. What I'm looking for is a unit cost/call. Was told This would not be feasible. I disagree.

BRAINSTORMING SESSION

There were a total of 6 ideas we were going to explore/develop:

1. PR presentation to introduce Mtgs. behind the walls.
2. PR presentations to be shown @ PR Events (Multimedia)
3. Regional Outreach - purpose of new structure HRP/FD
4. Traveling Prison outreach
5. Statewide Helpline
6. 5th Ed BT distribution

PRIORITIZATION SESSION

Item #1 above received 132 points

Item#2 received 113 points

Item#3 received 63 points

Item#4 received 89 points

Item#5 received 61 points

Item#6 received 48 points

Items #1 above received the most points and would be recommended in our next session for Possible Workgroups assignment.

WORKGROUP SESSION

In this session we will be working on the following workgroups:

- IRS/TAX EXEMPT/INCORPORATION
- GROUP/AREA FINANCES
- AREA FD
- PSA'S

Project Idea with a low priority score (points) 2 consecutive Regions should be removed from list.

Latino Outreach Workgroup will disband for now- not enough support.

Insurance Workgroup is finalizing its work, issues they are looking at currently are:

1. Who is going to sign the policy?
2. Who will administer?
