Motion made to form ad hoc committee however, was never formed neither had any official meetings.

AD HOC COMMITTEE on FCACNA CONTRACT

An Ad Hoc committee was established during the April 2011 meeting to review the details of the contract for the current convention and to make recommendations about future contracts. No formal report was given and no meetings took place since the last ASC. The contract has a deadline for phase one penalty of September 16. Choices are: 1. Break the contract by September 16 and pay \$1,674. 2. Accept the contract as a 2 year contract with consecutive years. 2. Accept the contract as a 2 year contract but use the second year in 2 years. More to follow.

H&I-

- NA books can not just be given to addicts in lock down individually as this could be seen as favoritism- if you bring a book for one you have to bring one for all- of course all books still have to go through Chaplin of facility.
- Pen Pal Program running smoothly in Tampa Fun Coast area with 4males and 2 females currently corresponding. Inmates can write the RSO and letters will be disbursed at RSC to bring it back to nearest surrounding area. *Bridge Program "workgroup" started at last regional weekend which will look into sponsorship behind the walls.

Helpline:

- Chain-o-lakes Area is having problems porting over their pager phone number to a Ring Central phone line system. Company that owns the pager number states it can only be used as a pager number and not for phone line use.
- Discussion on the floor about proposing a REGIONAL Helpline number came up again as it did at last regional weekend. There are both pros and cons as it would be an ideal service however its huge project with great costs.

Internet Technology:

- BMLT (Basic Meeting List Tool) encouragement to all areas. Link available on Regional website. The BMLT system allows addicts to search for meetings

geographically. FCA pro-tem Web-servant will be attending next region in September to learn more about BMLT.

Public Relations:

- On behalf of the First Coast Area I requested guidance regarding area split overlapping geographically and how our services are affected/duplicated i.e. meeting schedule. Many area RCMs responded with suggestions of passing out both schedules folded one inside the other, holding workshops between the areas to make sure the still sick and suffering addicts are not being lost in the mix/split.

LETTERS OF WILLINGNESS

I, Chelsie P., have the willingness to accept the nomination as First Coast Area RCM. My clean date is 1-1-04. I have an NA sponsor who has an NA sponsor. I have a working knowledge of our NA 12 Steps, 12 Traditions, and 12 Concepts. In years past I have served as my home groups GSR, been a member of PR subcommittee for 4 years and its chair for the past 2 years. I have been attending region for the past year and would humbly appreciate the opportunity to carry the conscience of the First Coast Area to Region and in return bring back as much information from Region and World so that our area can be well informed and involved in our service system.

In loving service,
Chelsie P.
