## RCM REPORT FOR JUNE 2017

ALL IS WELL. RSC was held May 20<sup>th</sup> and 21<sup>st</sup> at Rosen Centre hotel in Orlando. Saturday day was FD and all RCM's participated in discussions on how we can do better at CBDM Very informative, As 1<sup>st</sup> Coast RCM joined work group "Dialogue with Treatment centers", basically how to deal with issues coming up with treatment centers who bus people into meetings. Voting this time is a proposal to reimburse the Uncoast area \$420 that they paid for extra rooms at Service Symposium. They were under impression that there were extra rooms available since most areas didn't use their 4 room nights but that was not the way it worked. Uncoast area reimbursed the addict whos card was on hold but they are operating under prudent reserve in their area and are asking for the \$420. My recommendation is we vote yes o this proposal to reimburse. Florida Region is healthy financially and would help restore some stability to Uncoast Area.

We passed a proposal for RSO to start the Archiving process of literature and documents over the next 9 months. Cost is NOT TO EXCEED \$2000 per month for 18 months. This will protect and document our vast amount of old literature and documents.

RSC is looking to upgrade our regional website. Discussion and fact finding has started

Remember that We can request any FD Group, such as Corrections, H&I, Public Relations, or Human Resource Panel, AD or RD, Admin Body, of Region to come to our Area for presentation or help.

Please remember that we can access full RSC minutes by going to [naflorida.org](http://naflorida.org) and downloading minutes. Also NA.org has huge benefits if you would like to see whats going on in NA around the world or in your backyard. You can participate in new literature coming out and find just about any resource needed.

IN LOVING SERVICE
